## SGT Quality Management Systems

We are proud to announce that Salient Global Technologies (SGT) officially received the AS9100 Rev D and ISO 9001 certifications. SGT engaged Perry Johnson to audit our QMS (Quality Management Systems). The completion of the auditing process reflects SGT's commitment to the highest quality standards across the industry.

## Customer Satisfaction

Salient Global Technologies will always strive to exceed our customers' expectations and needs by providing reliable, high-quality products, service, and delivery. This is SGT's first achievement in the aerospace industry, with many more to come.
